From the Bellarine Peninsula you will head toward Torquay, the surfing capital of Australia and onward to Anglesea where native wildlife is in abundance and the waves of the Southern Ocean are at your doorstep. Follow the Great Ocean Road further through Lorne to Apollo Bay. [Overnight at BIG4 Apollo Bay.](#)

DAY 3

Apollo Bay to Port Fairy (188 km)

Depart Apollo Bay this morning and travel along the fabulous Great Ocean Road to Port Campbell. The road does leave the coast and wind through the ferny slopes of Cape Otway, this rainforest country is silent and untouched. When the road meets the coast again you will see some amazing rock formations including the Twelve Apostles, which are huge stone pillars in the surf, carved over time by the crashing Southern Ocean waves. Continue on to Port Campbell where you will see London Bridge- the broken arch and then through to Warrnambool. You may also like to drive to Tower Hill Nature Reserve where koalas, emus and kangaroos can often be seen. Port Fairy a quaint fishing village is where you will spend the night.

DAY 4

Port Fairy to Halls Gap (157 km)

Drive north today to the amazing Grampians National Park with its woodland walks, waterfalls and rock formations. Your journey will take you via Penhurst to Dunkeld, just south of the Grampians. From here a scenic drive will take you through the Grampians National Park to Halls Gap. Highlights include McKenzie Falls, Reids Lookout and the Balconies. The Grampians offer some of the best bush walking, mountain biking, rock climbing and abseiling in Australia.

DAY 5

Halls Gap to Ballarat (140 km)

Just out of Halls Gap is Stawell, home of the Stawell Gift, the richest footrace in the world. In the surrounding areas are some fabulous wineries, such as Montara Estate. Other towns on the way include Ararat and Beaufort. Ballarat is Victoria's largest inland city. It is famous for being the site of the world's largest deposit of alluvial gold, and almost a third of all gold found in the colony was taken from its rich quartz reefs. A must see is Sovereign Hill, an exact recreation of what life was like in the town during the gold rush and a visit to Gold Museum.
