What better way to start, than by a visit to Australia Zoo (the ultimate wildlife adventure. After your outing is complete, you may also choose to visit the Glasshouse Mountains, a natural playground loaded with walking tracks and epic lookouts (9.0km from Australia Zoo). Leave Caloundra and join the Legendary Pacific Touring Route which will take you all the way to Sydney. Stopping over on the Gold Coast to enjoy a little action at one or all of the many theme parks on hand.

## DAY 2

### Gold Coast to Byron Bay (94 km)

Drive the Tweed Valley Way with amazing views passing sugar cane fields, verdant green hills and dales of the Tweed Valley, the surfer's delights of Tweeds Heads, Coolangatta and Kingscliff and then walk to the most easterly point in Australia and the Cape Byron Lighthouse, or in season watch whales in the Bay. Byron Bay attracts surfers from near and far to Wategos Beach, on Cape Byron – its northerly aspect makes it one of the best beaches for surfboard riding on the East Coast of Australia. Nearby, Cape Byron is the most easterly point on the Australian Coast.

## DAY 3

### Byron Bay to Nambucca Heads (315 km)

Your journey to Nambucca Heads will be breathtaking. Nambucca Heads is a beautiful coastal holiday town on the mid North Coast of NSW. On a headland at the mouth of the gorgeous Nambucca River, the area is naturally beautiful with its meandering river, white sandy beaches and national park wilderness. An awesome place to re-charge the batteries after a long adventure. South West Rocks is renowned for its coastal scenery and stunning National Park. The Smokey Cape Lighthouse, the Historic Trial Bay Gaol and the local wildlife park will not disappoint.

[Overnight at BIG4 Nambucca Heads.](#)

## DAY 4

### Nambucca Heads to Port Stephens (331 km)

After some rest and relaxing at Nambucca Heads, Port Stephens awaits. There are a couple of ways to Port Stephens but we recommend the scenic route. Follow the Lakes Way through the rainforest with spectacular views of the inland lakes and ocean beaches. Continue south to Bulahdelah, the entrance to the Myall Lakes National Park and then on to Port Stephens. There is no actual township of Port Stephens, rather it is the name given to the area that encompasses the towns of Nelson Bay, Corlette, Salamander Bay, Soldiers Point and Shoal Bay. The white volcanic sand and aquamarine waters of the beaches of Port Stephens have a distinctly tropical look and the annual temperature is very mild.

## DAY 5

### Port Stephens to Hunter Valley (100 km)

Wake up early and enjoy the beautiful township of Port Stephens. Proceed for 1 hour sandboarding and dolphin watch cruise before heading on to the Hunter Valley. From the Port Stephens area continue along the Pacific Highway and then turn west through Hexham and Kurri Kurri and into the Hunter Valley. With wineries in abundance, take the opportunity to taste and purchase some of the finest wines Australia has to offer, as well as gourmet delights, art and gardens.

[Includes 1 hour sandboarding and standard dolphin watch cruise](#)

## DAY 6

### Hunter Valley to Sydney (212 km)

Start the morning with a sunrise before heading back to Sydney stopping off at Newcastle via Maitland. Newcastle is Australia's sixth largest city; enjoy a scenic walk along its foreshore. Leaving Newcastle travel via Gosford where a visit to the Australian Reptile Park and Wildlife Sanctuary is a memorable experience. It is now an easy drive into Sydney to drop of your campervan.
