Challenges companies face when managing their own travel

- **Not enough options and limited access** to flight itineraries for the selected route.
- **Hassle of employees having to make their own bookings** for multi-city travels.
- Difficulty in **documenting** and **monitoring** employee travels.
- Coordinating and handling **pre-trip and post-trip activities** for employees.
- There is **little control over travel spend**.
- **Inefficient use of resources** with managing and booking trip activities.

We make it **easy** for you with our **in-house Travel Counsellors**

We have the expertise and connections to assist on all types of bookings and travel needs, saving time and resources.

Safety & Security

With your safety in mind, our experienced crisis management team is ready to help wherever and whenever.

Spend Visibility

Accurate spending captured enables efficient travel programme performance measurements.

Compliance

We can adapt to your travel policies and provide advice on relevant and suitable travel solutions.

We also work with other integrated online support systems for customisable reports, personalised operational metrics, and many more.

MICE Services

Our Meetings, Incentives, Conventions and Exhibitions (MICE) division - led by a dedicated, experienced team covers incentive trips, themed events, meetings, seminars, staff trips and more.

Through the years, Holiday Tours has been recognised as a leading travel management company in the MICE market in Malaysia. Our success is a result of our resources and insights that enable us to provide you with reliable, efficient services at competitive prices.

We offer incentive travels and convention organisers a wide selection of venue, concepts, rich cultures and beautiful settings both locally and globally. Our itineraries are researched and planned to the last detail to suit individual requirements of incentive groups.

We will work hand-in-hand with you to customise an incentive idea to your preference while helping your organisation to gain substantial value and benefit at a cost-effective price.
